## CURE DRAVET

### DEAR PROSPECTIVE SPONSOR/DONOR:

We are proud to announce the Third Annual Marlins for Mason Tournament will be held August 1st & 2nd, 2025 at Ocean City Marlin Club and Sunset Marina in Ocean City, Maryland. Marlins for Mason is a 501(c)(3) non-profit marlin release tournament benefiting the Dravet Syndrome Foundation, and we are seeking sponsors and donors to help make our tournament and fundraising efforts a success.

### WHY MARLINS FOR MASON?

**Mighty Mason Prather** is a beloved 7-year-old member of the Ocean City fishing community who lives with Dravet Syndrome, a rare, catastrophic, and lifelong form of epilepsy that significantly affects all aspects of life. He suffers from frequent severe and prolonged seizures, developmental delays, and has feeding and mobility issues.

During his brief life, he has had hundreds of seizures, innumerable ER visits, and frequent hospitalizations. The treatments are both limited and ineffective, and nearly a quarter of children with Dravet Syndrome die before adulthood. Currently, there is no cure for this life-shattering condition.

Because Dravet Syndrome is rare, very little money is spent on research. The Dravet Syndrome Foundation is dedicated to finding better treatment options and someday, a cure. Since Marlins for Mason was launched in 2023 Marlins for Mason has donated over \$818,000 to the Dravet Syndrome Foundation, making Marlins for Mason their largest donor two years in a row. As a result of these donations, Marlins for Mason has been able to independently fund two large research projects through the Dravet Syndrome Foundation which test potential new therapy options for Dravet.

Marlins for Mason is already making a big impact on the Dravet Syndrome world and with your help we will continue to be a driving force behind changing the course of Dravet. All of the entry fees for this tournament go directly to the Dravet Syndrome Foundation so we can help find a cure and raise awareness in honor of Mighty Mason and the others who suffer from this debilitating disease. Your sponsorship dollars or donation will help us make this a successful tournament and a successful fundraising opportunity. We will recognize these generous sponsors on social media, our website, banners, event flyers, and during the awards ceremonies. Those who wish to donate individually without a brand affiliation are welcome to do so. They too will be recognized as a sponsor at the corresponding sponsor level unless they prefer to remain anonymous. All contributions over the cost of hosting the tournament will go directly to the Dravet Syndrome Foundation. Marlins for Mason is a non-profit 501(c)(3) foundation and information for tax deductions will be supplied to donors/sponsors.

The attached documents include details of the tournament, sponsorship levels, and donation opportunities.

**Thank you for your consideration. With your help we're one step closer to Catching a Cure for Dravet.**

Sincerely,

Amanda Prather	Kourtney Duffie
John Prather	Chrissy Starcher
Anthony Matarese	Lindsey Stanton
The Matarese Family	Sarah Evans
